WE CREATE LEADERS

MAIN DONOR'S MESSAGE

Shri Mahavirprasad G. Saraf
Founder and Managing Trustee,
Kirandevi Saraf Trust

It gives me immense pleasure in congratulating Rajasthani Sammelan Education Trust (RSET) and Kirandevi Saraf Trust for the commendable progress achieved by their unique educational project- Durgadevi Saraf Institute of Management Studies, year after year.

It is a pleasure to watch the Institute growing with dynamism unique to itself, in line with the vision and mission. The essence of business today is to understand the rapidly changing global as well as domestic business environment which is fraught with ambiguity and complexity and then strategizing to meet the growth plans. The institute imbibes this spirit in itself and also disseminates the same thinking to its students. DSIMS offers six major programs:- Two programs affiliated to Mumbai University - Two years full-time MMS program and three years part-time MMM / MFM / MHRDM program. Apart from this, DSIMS also offers two years full-time PGDM program, a part-time Executive Program in Management (EPM), a 15 month week-end Post Graduate Program in Managing Family Business and a 3 month Diploma in Women Entrepreneurship.

The progressive educational values and skills imparted by the institute will help students to develop into corporate leaders of tomorrow. The programs introduced at DSIMS provide a complete revamp of the traditional curriculum by introducing the latest syllabus or contemporariness in Management Education. The qualitative grooming at the institute ensures holistic development of each and every student to gear them up to compete with the best in the industry. It is my sincere wish that Durgadevi Saraf Institute of Management Studies be ranked as one of the top management institutions in the years to come.

DSIMS is privileged to have a dynamic, extremely experienced and a highly effective and motivated team of faculty and staff. The DSIMS Management Council has eclectic interests, expertise and multidimensional capabilities at its disposal. The institute has geographical advantages being located in the heart of the western suburbs. It also boasts of a state-of-the-art infrastructure with all modern amenities required by a management institute.

We extend our continued support to DSIMS and wish them luck in living upto their motto...
"We Create Leaders".

DIRECTOR GENERAL'S MESSAGE

Dr. N. M. Kondap
Director General (RSET)
Former Vice Chancellor, SVKM's NMIMS University

Invitation!!!

Higher Education in general and Management Education in particular is influenced by globalization in technological, social, political, cultural, economic and entrepreneurial requirements with added ingredients of innovation and creativity. Conceptual clarity and its application are going to play a major role in the changing market scenario. The focus is shifting towards experiential learning with field based projects which will provide competitive advantage to the institute.

At Durgadevi Saraf Institute of Management Studies (DSIMS), which is ranked among top 10 business schools in Mumbai, the shift is taking place to develop leadership skills, to understand the market realities and develop the program architecture which addresses stakeholder expectations.

Some of the differentiators are:

International Exposure through International Immersion and Exchange Program.

- Context of Localization: DSIMS makes management education relevant in Indian context through rural immersion project.
- Holistic Development of the Students.
- Fostering social responsibility as an integral part of the Institutional strategy.
- Corporate connect
- Entrepreneurship through innovation and creativity.
- Nurturing Excellence

Visit DSIMS: Experience Yourself!

CHAIRMAN'S MESSAGE

Shri Ashok M. Saraf
Chairman, Management Council -
Durgadevi Saraf Institute of Management Studies

The excitement at Rajasthani Sammelan Education Trust (RSET) lives on, as we continue to grow and expand. It has been very fulfilling to steadily progress on the growth path; at the same time, it imposes its own challenges. Being in the field of education, a big responsibility lies on our shoulders as we facilitate the shaping of the current generation. We, at RSET, recognize this as the core of all our activities and it reflects in the way we manage and lead the Institutions built on sound values, mission and vision.

We are delighted that you have decided to be a part of our journey. We strive to provide an enriching and holistic learning experience at DSIMS for which we have created a state-of-the-art infrastructure that will facilitate excellent teaching-learning experience and also encourage research. While infrastructure aids the learning process, having a resourceful team is basic to quality. Our team comprises members who possess vast experience in the field of management education, are passionate and dedicated and are engaged in lifelong learning. We, at DSIMS, believe in providing students with quality education that will drive them to foster leadership towards sensitized and inclusive development. Our thrust has been to enhance and nurture the entrepreneurial spirit in our students to make the best use of demographic dividend India is heading towards.

In this era of globalization, there is an intensified effort to gain human resources of competitive advantage. We understand the relevance and importance of investing in the development of the youth and creation of a research environment; in propelling the nation into the sphere of contemporary civilization. The Global political economy is undergoing a vast shift and it is our collective responsibility to identify and acquire our space in this flux. I firmly believe that the solution lies exclusively in knowledge generation and transformation of that knowledge into inclusive solutions that will help us grow and prosper.

I welcome you to DSIMS and wish you all the best for your future endeavors.

DIRECTOR'S MESSAGE

Dr. C Babu
Director
Durgadevi Saraf Institute of Management Studies

It gives me immense pleasure to welcome you into a leadership factory - DSIMS. Our institute is built on the foundation of seventy year legacy of Rajasthani Sammelan Education Trust which runs more than fifteen progressive educational institutions. You would be glad to know DSIMS is ranked in the top 8 B-Schools in Mumbai and in the top 100 B-Schools in India in a short span of seven years of its inception.

DSIMS has been established with a purpose of nurturing and developing socially sensitive business leaders to contribute economic wealth to all community stakeholders. As we understand the requirement of good B-School, our student would find all ingredients right from the day she steps into the institute till she goes out as our successful Alumni. This institute boasts of the state of the art infrastructure ambient academic atmosphere, regular business leaders interaction, industry visits, alumni network and most importantly, intellectually research oriented faculty members.

Historically, DSIMS receives many applications through word of mouth recommendation of our Alumni, parents, recruiters, academicians and anyone and everyone who positively interacted with our institute in our pursuit and commitment to create excellent business leaders. DSIMS has been taking many painstaking initiatives after careful deliberation with our faculty counsel. You will witness a personal touch during your two years journey in this institute through our faculty - student mentoring process.

The world is ever changing since inception. Particularly, this century is witnessing a tectonic shift in terms of economic growth. McKinsey & Company has recently reported that three billion middle class consumers are going to emerge for the first time in the human history in a short while leading to unprecedented demand for consumer goods and services of all kinds across the world. Good Business Leaders are always in great demand to manage such explosive economic growth.

You can certainly become one such successful responsive business leader under the personal guidance and tutelage of our caring professors.

We welcome you to this temple of Learning!

VISION, MISSION & GOALS

Vision

To be one of the preferred B- Schools in India by developing socially sensitive business professionals with global mindset.

Mission

To create a future for academic excellence with emphasis on social sensitivity

Our Enduring Goals

At DSIMS, we believe that investment in a sincere and dedicated team provides impetus to us for creating a new paradigm of professional management education. This facilitation process will be enhanced by unique styles of delivery and wide-ranging support material. Our advanced, robust and world-class infrastructure further encourages the process of sculpting fresh ideas that will mould young minds in these times of immense competition.

DSIMS is named in the loving memory of Late Smt. Durgadevi Saraf, mother of main donor, Mahavirprasad G Saraf.

About Rajasthani Sammelan Education Trust (RSET)

RSET, a registered public charitable trust was established in the year 1948 at Malad, Mumbai. With an aim to promote various educational, charitable and social activities, the trust has pioneered in providing educational opportunities to various sections of society. During the last six decades and more, the trust has played a very vital role in promoting and providing better education from primary to post graduation in the fields of Commerce, Management, Information Technology and Media Studies. Apart from its educational pursuits, RSET also caters to the social and humanitarian needs of the community.

RSET had started its educational activities for girls, but in due course of time, it has opened its doors to boys as well. At present more than 15,000 students are receiving education in various educational institutions run by the trust.

The Educational Institutions owned and run by RSET are:

- Kudilal Govindram Seksaria Sarvodaya School
- Kudilal Govindram Seksaria English School
- Ramniwas Bajaj English High School
- Mainadevi Bajaj International School

- Durgadevi Saraf Junior College
- Ghanshyamdas Saraf College of Arts & Commerce
- Kirandevi Saraf Institute of Complete Learning
- Durgadevi Saraf Institute of Management Studies
- Deviprasad Goenka Management College of Media Studies
- Ladhidevi Ramdhar Maheshwari Night College of Commerce
- Kunjibhari S. Goyal Online Academy
- Mainadevi Bajaj International Playschool.

Other organizations owned and managed by RSET include

- Draupadidevi Sanwormal Women's Hostel
- Ramdhar Maheshwari Career Counseling Centre
- Pravinchandra D. Shah Sports Academy

RSET is also providing many other facilities in its educational complex that include:

- Dhurmal Bajaj Bhavan
- Durgadevi Saraf Hall
- IT Hub
- Food Court
- Ramnarayan Saraf Educational Outlet
- RS CA Study Centre
- IRB Scholarship Endowment Fund
- Vijay Pal Singh Health Centre
- Kirandevi Saraf Library and Reading Room
- BKT Endowment Freeship Fund
- Janakidevi Bilasrai Bubna Endowment Freeship Fund
- Lalchand Dalmia Golf Cart.

The Trust is providing financial assistance to needy persons for medical treatment through Trivenidevi Deora Chikitsa Sahayta Kosh. Scholarships are also provided to needy students to complete their education.

Durgadevi Saraf Institute of management studies

DSIMS is all set to welcome another fruitful academic year in its stride. The initial years witnessed tremendous success, coupled with admiration from reputed industry and renowned academic community. We are proud to lay a strong foundation with a robust curriculum, where we lay emphasis on the overall development of our budding leaders. The different curricular emphasis are designed to match their learning abilities and interests. At DSIMS we strongly believe in the philosophy of "KAIZEN" or continuous improvement. This is evident in our continuous endeavors to elevate our benchmarks year on year and to compete with the best.

We ensure to make learning more enjoyable and meaningful for students, while developing the desired skills and values that will put them in good stead for the future. These include placing greater emphasis on non-academic program within the curriculum, such as

Entrepreneurial Cell "SOCH", Leader-in- Making, Thought Leadership Forum, Experiential Learning, Glocal Immersion etc. Our induction / orientation program is designed to educate and provide opportunities for graduates to transform themselves to postgraduate students.

DSIMS is promoted by the esteemed members of the distinguished Rajasthani Sammelan Education Trust, renowned for its contribution in the field of education in India. We aim to follow a consultative style of management which encourages participation in the development of the institute. The Board of Governors is committed to developing an institution of quality and integrity. To this end, it has established an independent Management Council comprising of eminent educationists, administrators and achievers from all walks of life. The Management Council brings to the school, its expertise in administration, technology-aided learning and education management.

TRIMESTER V

- Leadership Excellence & High Performance Teams
- Talent Management & Employee Engagement

Marketing Management

Focus on Marketing and Communications: MBA programs in Marketing are quite common. The DSIMS PGDM integrates Marketing and Communications in a strategic framework, enabling students to combine the analytical rigor of traditional marketing with the leverage of psychology of consumer behavior to deliver better decisions. Marketing and communication courses develop students into a dynamic marketing professional by honing analytical and critical thinking. These courses explore the links between corporate strategy, marketing strategy and communication strategy within a global framework.

Marketing and Communications

TRIMESTER IV

- Integrated Marketing Communication
- Consumer Behaviour
- Marketing Models & Analytics
- Rural Marketing

TRIMESTER V

- Marketing & Sales - Services
- Global Marketing
- Product & Brand Management
- Digital Marketing & Social Media

TRIMESTER V

- Strategic Marketing
- Business Marketing & CRM

Operations Management Operations Management

Focus on Logistics and Supply Chain Management: The PGDM L&SCM integrates two crucial aspects of the modern enterprise - Operations and the Supply Chain. Companies need innovative leaders with the vision and skill to manage the entire life cycle of goods and services across a global enterprise. The Supply Chain function is the backbone of any organization. SCM has evolved from being a merely tactical function to a business function. The L&SCM program is designed to introduce the key concepts needed to enable a business to organize and run an efficient Supply Chain. The program looks at contemporary issues in Operations and Supply Chain Management and creates a deep understanding of the issues involved in a very competitive and challenging environment which is constantly in a flux. It equips the participants with a good understanding of the ground level situation and enables them to take decisions keeping in mind the global impact of the decisions. Overall, the program would lead the participant to adopt an integrated approach and create a competitive advantage for the organization.

Operations - Logistics and Supply Chain Management

TRIMESTER IV

- Operations Strategy including Manufacturing Strategy
- Logistics & SCM
- Operations Planning & Control
- Materials Management

TRIMESTER V

- E-Commerce & Retail
- Infrastructure & Facility Management
- Sustainability & Green Supply Chains
- ERP

TRIMESTER V

- World Class Operations
- Technology Management

WHAT WE DO DIFFERENTLY @ DSIMS

The world has changed over a period of time and along with this the needs of the industry and the expectations about managers have also undergone a sea change. But management education has not progressed much beyond where it all began. The result is the now familiar chorus from the Industry "management graduates are not employable from day one". The industry demands management graduates who can be productive from day one, who have a global outlook but a local mindset and whose education is relevant for these turbulent times.

To meet the requirement of the Industry and to keep the sanctity of the class room learning, DSIMS has developed a series of unique interventions - a unique, blended pedagogy which aims to produce a day one, job ready manager.

We would classify our innovations into two broad categories:

1. Innovations in Class room Pedagogy
2. Innovations Beyond Class Room initiatives

Leader in Making (LiM)

DSIMS has designed a set of beyond classroom initiatives - branded as "Leader in Making" (LiM) that will inspire, test and challenge the ideas, knowledge and concepts of modern Management.

These interventions aggregate theory, practice and experience into a powerful course that will form the foundation of student's future as a global manager.

Apart from imparting education to the students, we also pay special attention to inculcate human values and grooming students for bright career. Our Institute continuously strives to develop students to realize their latent potential while acquiring professional knowledge. We provide the students with career guidance and conduct courses on personality, communication and other such skills. These courses focus on enhancing students' personality and on preparing them for their future careers and enhancing their employability.

Aims and Objectives of LiM Program:

- To assess students' strength and weaknesses to obtain not only generic but need based interventions.
- To improve students' employability quotient by giving them an edge; by providing skills and work related learning.
- To help students realize their potential. To enable them with new knowledge and empower them to gather a broader perspective and greater confidence.
- To guide students for a critical transition into a position of greater responsibility
- To help in increasing students' overall effectiveness and reduce their learning curve

Nonpareil Pedagogy

We have nurtured one of the best learning environments at DSIMS. The learning process at DSIMS begins before the students enter the learning rooms and continues far beyond the institute. The rigorous yet flexible process focuses on combining clarity on the core concepts with the constraints of execution in a dynamic, globalized environment. The learning process includes experiential learning, workshops, case analysis, role plays, presentations, debates and discussions. As part of innovative pedagogy students of DSIMS are provided with Tabs with pre-loaded academic content in relation to their curriculum. The effort is supplemented by our "Corporate to Campus" effort where select Industry leaders are invited to interact with the students. As a student of DSIMS, you will get a chance to interact with some of the best minds of the Indian Industry.

Business News Analysis (BNA)

To improve your reading and analytic skills and help you remain contemporary and relevant, DSIMS conducts "Business News Analysis" sessions, where you follow the significant news and developments on sectors of your choice and share your readings and understanding with your peers. The sessions are moderated by faculty members who add to your perspective.

Business Immersion

Business Immersion makes students examine, analyze and evaluate complex process that challenges managers along the business cycle.

The program begins with the students doing a thorough,

“
The best Preparation for tomorrow
is doing your best today

-H. Jackson Brown, Jr.”

”

structured analysis of the major sectors of the Economy. Periodically, the students will present their understanding of the sectors to a panel of faculty and Industry leaders from the concerned sectors. The panel will guide the students and ensure that the learnings are maximized.

After the industry analysis, the students do a deep dive into the sector of their choice. In this process, the students get familiar with the regulatory guidelines, current industry best practices and emerging next practices. This will be done through both industry visits as well as interaction with a wide range of experts.

On completion of the deep dive, the students identify their role within the sector and study the pre requisites of excelling in the role. This includes close interaction with a few role models from the sector. The students learn the processes and rules that govern the operations of the chosen role, the skills and knowledge needed to excel.

Analytical and Critical Thinking - ACT

We have developed the ACT to help our students develop their ability to weigh alternatives, make decisions and evaluate seemingly contradictory facts. ACT is anchored in the necessity to inculcate the art of critically analyzing any issue and developing cogent and powerful arguments for and against any broad, multi disciplinary issues that face the nation, the society or the corporate.

This exercise aims to develop the following in our students:

- Persuasive Writing skills
- Strategic Planning and data acquisition
- Creative Thinking
- Asking the right questions
- Logical reasoning

Broad based reading

The distinctive feature of our curriculum is the wider reading that you have to do to prepare for the class - including the use of news paper, magazine articles, thought leadership pieces from journals and blogs in the class room to drive learning.

Thought Leadership Forum (TLF)

Great leaders are not born, but made. In keeping with this adage, students read, listen to and interact with leaders from the corporate world, who are invited to the campus to share their experiences of practicing leadership and achieving excellence in diverse domains.

Meet the Celebrity

This intervention aims at bringing accomplished writers and known personalities to the campus. Students get an opportunity to interact with these known faces and learn during this process.

Entrepreneurship Development Cell (SOCH)

Entrepreneurship Development Cell was established in the year 2015 and was named as "SOCH". The students get exposure to various professional courses like Student Entrepreneurship Development programme wherein professional experts help the students to make business plan and carry their ideas forward in the market. Because of such initiatives students become more confident in expressing their

ideas and learn the talent of thinking out of the box.

Bringing Industry to classroom

At DSIMS we ensure to organize guests sessions in each subject under the academic curriculum. These guest sessions are conducted by seasoned industry practitioners and are embedded into the regular lecture schedule. They are quite fruitful and help the students relate the classroom learning to industry expectations.

International Academic -Interface

- Durgadevi Saraf Institute of Management studies (DSIMS) and ESSCA (Ecole Superieure des Sciences Commerciales d' Angers), France signed a Memorandum of Agreement (MOA) in 2015, crafting an agreement for academic collaboration.
- Durgadevi Saraf Institute of Management studies (DSIMS) and Northumbria University, England signed a Memorandum of Understanding (MOU) on 07-May-2015, crafting an agreement for collaboration. The MOU broadly encompasses exchange of scholarly ideas/expertise and research; the support of specific discipline interaction; the development of programmes to include student exchange; and advanced entry from one institution to the other where the students are appropriately qualified.
- Durgadevi Saraf Institute of Management studies (DSIMS) and University of East London (UEL) signed a Memorandum of Understanding (MOU) on 19-June-2015, crafting an agreement for collaboration. The MOU broadly encompasses internationalization of the institutes' campuses, involving student exchange, faculty exchange and research collaboration.
- Durgadevi Saraf Institute of Management studies (DSIMS) and Oxademy Graduate School, Oxford, UK signed a Memorandum of Understanding (MOU) on 25-Nov-2015 for a long term academic partnership.

Many foreign professors and dignitaries have also visited DSIMS and addressed students on myriad subjects.

- A talk on "China's Urbanization Strategy" by Dr. Caryn Callahan, Professor, School of Business,Chaminade University, Honolulu, Hawaii, U.S.A
- A talk on "Paradigm Shift in the Middle EasternEconomics" by Dr. Nora Colton, Deputy Vice Chancellor (Academic), University of East London
- A talk on "Living in US" was delivered by Dr. Frank Trocki from Cornerstone University, U.S.A
- Dr. Karl Markgraf, Associate Vice President for International Affairs, Virginia Polytechnic Institute and State University visited DSIMS campus for exploring possibilities of mutual academic associations in future.
- Mr. Mahendra Gupta, Dean and Geraldine J. and Robert L. Virgil Professor of Accounting and Management, Olin Business School, Washington University in St. Louis visited DSIMS campus on special invitation.
- Ms. Rosemary Anne Mathewson, Consultant with City University New York (CUNY)- Baruch College visited DSIMS to explore various platforms for collaboration.
- Dr. DeWald Marylou, Associate Dean/Professor at Ottawa University visited DSIMS to explore various platforms for academic collaboration in the future.

Ottawa University Student Exchange Program

On the evening of 29th April, 2017, 19 students eagerly packed their bags and made their way to Chhatrapati Shivaji International Airport to embark on what they believed was a very enthralling and important journey. It marked the beginning of a new partnership between Durgadevi Saraf Institute of Management Studies (DSIMS) and Ottawa University (OU), Kansas, a concourse that came to fruition courtesy the efforts of Dr. C. Babu, the Director at DSIMS and Dr. Marylou DeWald, Associate Dean at Angell Snyder School of Business. It was initiated with the signing of a Memorandum of Understanding (MoU) in December, 2016.

The students, who belong to the 2016-18 batch, were the first batch to represent DSIMS internationally, for a Study Abroad Program. At OU, they studied two subject courses – Servant Leadership, and Value Systems and Professional Ethics, which were conducted over the course of 8 weeks. During this period, the students underwent timely evaluations in the form of assignments and presentations pertaining to the subjects, and were challenged to think, be creative and test their abilities. Servant Leadership strove to give the students an understanding of a new, unconventional form of leadership, and motivated them to introspect and hone themselves as leaders, while Value Systems and Professional Ethics helped inculcate a train of thought that can differentiate between ethical dilemmas. It also helps develop

emotional quotient and empathy in situations. In addition to imbibing knowledge, the experience served as an opportunity to learn about a new educational system, new people and a contrasting culture.

Students were taken to a diverse range of industries where they were exposed to a plethora of work and operational environments. They visited the magnanimous Walmart Distribution Centre, where they got to see the source of the hypermarket procurement, Hasty Awards, a company responsible for manufacturing, producing and distributing medals, plaques and trophies for local, regional as well as Olympic level sports, Hallmark Cards, the local yet famous coffee hub – Roasterie, and Kalmar, a homegrown company and assembly plant known for their Make-to-Stock and Make-to-Business Prime Movers.

But it wasn't all work and no play. The administration at OU organized recreational visits to give the students time off their grueling study schedules, and desolation of the small town. There were activities that were lined up a minimum of three days in the week, in adjunct with an Industrial Visit. The students got to visit Kansas City frequently, where they went to the Nelson Atkins Museum of Art, KC Breakout, Union Station and Top Golf. They got to witness the majesty of the State Capital in Topeka. They also connected with nature and their surroundings at Camp Chippawa, Pomona Lake and Tallgrass Prairie. They got a taste of the local sports fad at a Baseball game, and set foot on the tracks of KC Speedway. Lastly, they shopped till they dropped at the Plaza Shopping Centre and Legends Mall.

The students had an immersive experience of the local grounding when they were put up at Host Families, who were trustees of the University. In addition to that, the students visited the local Police Department, Fire Department, and Town Hall, and got to interact with the members. Sundays

were days to serve society for a good cause. The students indulged in social service activities like making bath salts, greeting cards and origami flowers for the elderly. Pottery, arts and crafts were made to be a part of the recreational activities as well. Along the way students also learnt Tai Chi, sign language, line dancing in special workshops and picked up on new games like disc golf and kickball.

The last leg of the experience was celebrated with a dinner that hosted all the students, the faculty members, the host families and Dr. Sharad Kumar, Dean Academics, DSIMS who joined the students to commemorate the successful completion of the Study Abroad Program. With certificates in their hands, students concluded their odyssey at Ottawa University with new learnings and memories.

Institute Initiatives

Rural Immersion

Rural India is changing rapidly. The rural development initiatives like MNREGA have increased the discretionary spending in Rural India. The rural consumer is now spending more. But the biggest question is - Who are these Rural Consumers? How do they think or act? What makes them good consumers? What influences their spending? These are some of the questions that managers need to answer if they are to enter the rural markets.

Prof. C K Prahalad, in his seminal work, re-introduced Rural India to corporate India. However, if Corporate India plans to enter rural markets, they need a breed of managers who have a firsthand feel for this market. This is the market of tomorrow and the students need to be sensitized to the dynamics of doing business in rural India. Rural Immersion Program at DSIMS helps our students understand rural markets, supply chains, rural consumers and potential models through field trips over a period of one week. This initiative uses the experiential learning model to create a complete manager who can stand up to the pressures of modern world. Apart from collecting and analyzing objective data from rural consumers, households, intermediaries and retailers, students explore the peculiarities and characteristics of industries located in rural areas. They interact with industrial units to gain a well rounded experience, which provides them clarity and understanding of the five M's of management: Money, Manpower, Material, Machine and Methods and their application in rural India.

DSIMS takes its students to rural areas of India every year. The aim of this immersion is to sensitize the students on how the Rural India operates.

International Immersion

International Immersion is designed to expose students to work practices in an environment different from "home culture". It helps students understand macro economic situation, various economic parameters of the host country from business management perspective. During the immersion, students interact with leading Chamber of Commerce, global companies; attend lectures by eminent professionals and business heads on global economy & business practices.

This helps students get first-hand experience of the country and get acquainted with culture, work ethos, education, industries, economic and business policies which are instrumental in the accelerated growth of the nation.

Students at DSIMS, in consultation with a faculty coordinator, research and narrow down the countries and the industries or firms they would like to visit. Based on the student feedback and the learning potential, the destination is chosen. Like most of the initiatives, International Immersion too is a student led activity.

HR Meet

DSIMS initiated to organize an exclusive HR meet from the year 2015. This initiative is for an elite group of HR personnel to collectively come together and deliberate on pertinent trends in the management sphere. Eminent speakers from corporate are invited as panelists for the panel discussion. The event is graced by a large number of HR professionals from various sectors. The HR meet gives the audience an opportunity to enhance their knowledge and hone their skills in the domain of HR.

Alumni Club

DSIMS has constituted a very vibrant Alumni Club. This alumni club is very effectively utilised to strengthen the association of alumni with their alma mater. Every year his club organizes a "Home Coming Weekend" wherein many sports activities were conducted.

Industry-Institute Partnership Cell (IIPC)

DSIMS students are exposed to practices of professional managers through numerous guest lectures. The guest speakers are carefully chosen to represent a wide domain of functions and industries

Apart from bringing the corporate to the campus, the IIPC is active in taking the campus to the corporate. DSIMS identifies the corporate and arrange for a site visit to observe the ground realities.

Our students have visited NSE, Mumbai; Mumbai Port Trust; Bisleri, Santacruz, Mumbai; Mahindra at Kandivali; Raymonds at Vapi, Warehouses in Mumbai and Coke plant in Varanasi, Rashtriya Chemicals & Fertilizers (RCF) in Mumbai and Godfrey Phillips India Ltd. in Mumbai.

Bloomberg Financial Research and Analysis Lab

To provide extensive and up to date knowledge of financial research, RSET has installed twelve Bloomberg terminals for DSIMS especially for training in Algorithm based trading.

The Bloomberg Professional Service provides students with an additional tool that can enhance their classroom learnings, supercharge their job search and add a valuable skill to their resumes. With over 14,000 functions on the Bloomberg Professional Service, it is a powerful tool in researching and analyzing different areas of the finance industry.

Since industry uses Bloomberg extensively, there is a dire need for newly hired Under Graduates and MBA Graduates to have extensive workable knowledge of Bloomberg.

Most academic institutions do not impart Bloomberg training and hence the palpable skills gap between industry requirements and the academic training.

There has been a clear trend in forward-looking academic institutions to setup Bloomberg Labs and train students in Bloomberg.

CONCLAVES

Opession 2017:

Digital Transformation Of Industries

Opession '2017 (6th edition) was successfully held on 21 January, 2017 and was graced by senior industry professionals - Keynote Speaker Dr Ganesh Natarajan (5FWorld), Dr Sukanta Padhy (AllianzTire), M/s Milind Shahane (TataIndustries), Shibasish Pramanik (Abbott), Shirish Bhargava (RaychemRPG), Vinayak Marathe (RelianceTechnology) and Abhijit Yenpure (Anulom).

HR-O-SCOPE 2017

The annual flagship HR event - HR-O-SCOPE'17 was organized by Team Utkarsh on 21st of January, 2017. The Theme for the conclave was "Emerging HR Trends and Innovative HR Practices". This prestigious event witnessed the presence of highly privileged dignitaries starting from the keynote speaker Ms. Shuchi Chatterjee and our distinguished speakers and panelists Mr. Sanjay Jha, Mr. Devrajan. R, Mr. Melvin Mathias, Mr. Unmesh Rai and Mr. Amit Suman.

The one day event was filled with edifying speeches and panel discussion by the esteemed speakers and panelists. Along with some tantalizing pre-event activities viz Quizomania, Mannequin Challenge and Good to Great which was a bind of fun and knowledge that received participation from students of reputed institutes and corporate. The winners were awarded with prizes in the closing ceremony.

Financia 2017

Durgadevi Saraf Institute of Management Studies - DSIMS graciously organized Financia'17 on 22nd January, 2017 with the central theme of "**Financial Innovations - Existing Scenarios and Emerging Trends in Banking and Finance Sector**". Financia being the flagship conclave of finance at DSIMS, witnessed a multifarious set of amicable experts from the industry, namely, Dr. M Narendra- Ret. Chairman & MD at Indian Overseas Bank, as the key note speaker, Ms Sonali Johari- at HDFC life, Mr. Yagnesh Desai- CA & CPA (USA), Consultant at Yagnesh Desai & Co., Mr. Amit Trevedi - Author & Speaker at Karmayoga Knowledge Academy, Mr. Lokesh Mallya- Fund Manager-CFA & FRM at SBI MF, Mr. Manoj Alimchandani-as speakers & panelists. Financia'17 simulated business situations in the form of Mock-Stock, FinQ & Crack the Interview for all the B-School Students. The event was co- ordinated by Dr. Sarita Vichore, Professor & HOD Finance along with the finance department at DSIMS.

This year, the team had conducted a lot of interesting and fun events like the Mock Stock, FinQ and Crack-the-Interview. These events were planned with the agenda of not only entertainment but also with a tremendous learning perspective. Financia'17 also had daily online event-Daily Quiz to build the excitement for the Conclave and this year's online quiz was a real success. Many students have followed it and have won lots of exciting prizes. With the Conclave and the events, based on the central theme, the managers of tomorrow get a platform where they can practically apply their skills and put theory into action.

“
**The best Preparation
 for tomorrow is doing
 your best today**
 -H. Jackson Brown, Jr.”
 ”

Durgadevi Saraf Institute of Management Studies (DSIMS) organised a very informative & interesting conclave sponsored by Shoppers Stop at their campus on Sunday, 22nd January, on the theme, Indian Marketers- "Their ability to innovate: Issues and Challenges".

This was the fifth Marketing Conclave, which has become a signature event at DSIMS. The event was patronized by corporate professionals, academicians and management students from top notch B-Schools.

Mr. Ranajit Ghosh, National Director, Maxus India, Group M, delivered the keynote speech, emphasizing the need of transformation for effective & efficient innovation.

Prof. Ravi Banerjee, convenor of the conclave, who delivered the welcome address, stated the issues and challenges faced by organizations during transformation & innovation, thereby throwing the theme, open for panel discussion.

The essence of the same was that a surprising number of innovations failed not because of some flaw or because the market was not ready, but due to wrong insights gathered by the companies, leading to wrong ideation & initiatives, faulty implementation to ultimate failure.

The learning was that companies should establish a strong connect with the customers in order to understand what they need & want.

The panellists were Mr. Atul Natu (Godrej), Mr. Alok Kapoor (Mahindra), Mr. Salman Bukhari (Luxury Brands Consultant), Dr. Ranjan Chaudhuri (NITIE) & Mr. Kallappa Pattannashetty (Mondelēz International).

Touge '17 encapsulated brain stirring events like Brand Nerd, Market Mayhem & Product Niti. The events were judged by Mr. Umesh Dubey from Unilever & Mr. Sanjeev Chawla from IBM.

Social Initiatives

DSIMS is always being an integral part of the economy when it comes to giving back to the society at large. DSIMS considers it as social, economical and environmental responsibility to foster sustainable local development as well as add value to the local economy in which it operates. Our social initiatives take place through an Institutional Social Responsibility (ISR) Cell.

The main rationale for having ISR Cell is to focus on coming together of "hearts, minds and hands" of the various stakeholders' to give back to the society at large continuously.

Objectives:

- a) ISR Cell aspires to conduct a series of collaborations with NGO'S and government agencies for CSR projects on the areas such as health, education, environment and community development.

- b) It empowers students by providing opportunities to participate in social outreach programs of the institute so as to enable them to serve the underprivileged section of the society, and enhance their quality of life by willingly contributing skills and knowledge

- c) Incorporating and integrating ISR education in the curriculum of the institute.

The plan is to associate with one of the school where our students will be organizing poster competition; thereby making the students aware about the environment issues. DSIMS students will also impart awareness among the school students about basic hygiene. They will impart training to the students on english communication and computer skills.

DSIMS believes in contributing to the society with a difference on a continuous basis and its small initiative will indeed lay the foundation of sustainable development of our economy at large.

Scholarships

To enable the deserving student receive the benefits of a world class education, DSIMS provides a number of scholarships and freeships. Based on a combination of merit and means, these scholarships are designed to help the students complete their education.

DSIMS delivers this benefit in three flavors:

1. Freeship for one student from PGDM - the primary criteria being economic status of the student and merit within the selected students.
2. IRB Scholarship for two students from PGDM for academic excellence in the first year.

3. Durgadevi Saraf Medal and Ghanshyamdas Saraf Gold Medal for one student from PGDM - for all round academic excellence in the first year.

The scholars are selected by a panel of faculty from DSIMS and forwarded to the trustees of the Rajasthani Sammelan Education Trust for final decision.

The scholarship amount varies and is awarded on a yearly basis - making it mandatory for the scholars to continue their performance every term. The methodology and application procedure are available in the student handbook, which is issued to the students on admission.

Student Initiatives

Life at DSIMS is never all about academics. We balance academics with a healthy blend of beyond class room initiatives and student led activities.

Finance Club - "FinDS"

The Finance Club at DSIMS encourages students to pursue careers in Finance. The club helps students appreciate perspectives far removed from the typical class room framework, thereby enhancing learning and creating better synergies with people and organizations.

Some of our activities include:

- **Market Monday:** The analytical skills are put to test with real-life, risk-taking situations of an investor with an opportunity to take effective decisions of 'how to invest', 'where to invest' and 'how much to invest' in a multi-asset world.
- **Jobs and Careers:** A career in finance is a challenge. We help build the necessary skills and job capabilities among ourselves to ensure we are job ready from day one.
- **C3-Corporate Campus Connect:** An initiative to invite senior finance professionals to interact with students and mentor us. We also organize corporate visits to observe the day to day activities among the financial services providers.
- **Regulatory Recce:** Keeping updated and making sense of the rules and regulations that govern the financial services world.

Supply Chain Club

The Supply Chain Management Club aims to assist DSIMS students to gain a clear understanding of the opportunities, career paths, trends, and current challenges and issues in operations management. The club enables this through inviting eminent speakers, conducting plant tours, discussion panels, faculty interactions, and other activities. The club leverages these programs to assist students with job and internship searches. The activities of the club include:

- **Supply Chain Conclave:** an annual seminar series on Supply Chain Management that sets the tone for the supply chain club.
- **Industry day:** the club organizes an Industry day, where students of other disciplines are introduced to the Supply Chain Industry. This helps the new students at the institute to make an informed career choice.

- **Career Treks:** The club actively identifies career skills that are crucial for success in the supply chain and operations sector by reconciling skills with the job demands. This will help the club members develop practical career enhancing skills.
- **Speaker series:** We learn from the Industry experts by inviting them to visit the campus and interact with our members. This helps students build a network of industry experts.
- **Industry Visits:** The club organizes industry visits to get a first hand feel of the supply chain and operations of various firms.

HR Club - "Utkarsh"

Utkarsh is the HR Club of DSIMS serving as a platform to learn the various aspects of HR and to understand how HR can serve as strategic partner to drive the company's strategic plans. The activities at the club include:

- **Act-O-HR:** Role play on contemporary HR issues and concerns. Students are given a situational theme on which they have to create a role play. Through the role play

students try and address the HR issues while suggesting creative and practical solutions.

- **Workshops, Seminars and Quiz Competitions:** Under these intervention students are given a chance to participate in various workshops, seminars and quiz competitions organized outside DSIMS campus.
- **Management Games:** Students gain management acumen by participating in various management games. This helps them learn the nuances of management theories through experiential learning.

Marketing Club - "Vibranz"

Vibranz is an intra college marketing club, conducting various activities across streams including advertising, sales, branding, social media etc. The club believes in inculcating a spirited attitude amongst the students to participate in a proactive manner. This year vibranz conducted two major events- Game of brands, quiz based events to test off the feet grasp of brands and Case study competition, which made the student test their logical and analytical skills. Vibranz hopes to continue more activities in the future to keep on building the students' domain knowledge.

Economic Forum

The Economic Forum is a student-run initiative dedicated to the pursuit of both professional and enthusiast interests in economics. The club aims to introduce the study of economics as core to managerial education. The activities at the club include:

- **Budget Bash:** an in-depth analysis of the annual budget by a panel of eminent economists with divergent views.
- **The Economic Debate:** a series of debates on contemporary issues that will help students get a better insight into the developments across the globe and their impact on Indian economy.

22 Yards

22 yards 2015 is an annual inter-B school cricket event hosted by students of DSIMS. B-school cricket teams from all over Mumbai participate in this event which runs across 5 days.

Format of the game is such that the teams are divided in groups of two with each group consisting of three teams. The top two teams of the two groups then proceed to the semis. The winner of the Semi-final 1 & Semi-final 2 then proceed to battle for the coveted trophy.

The teams compete for the trophy playing with great intent and true sportsman spirit and eventually contribute to make this event a grand success.

Sports Club- "VERSUS"

"Versus" signifies the true and positive spirit of competition or conflict. It signifies war, a fight to discover the best amongst all. "Versus" is the sports initiative taken by DSIMS as a whole, in which the students, faculty and staff come together and contribute wholeheartedly and exhibit oneness.

It is a platform in which hidden talents and abilities are showcased. Various events like cricket, football, volleyball, badminton, table tennis, carom and a plethora of track events

are organized by the students which demonstrate team spirit, the art of playing strategically in times of pressure and developing new tactics to outsmart the opposition.

Cultural Club - "YUWA"

Youth United with Ambition, the YUWA club of DSIMS is highly enthusiastic to encourage the students to take the legacy and culture of DSIMS to the next level. YUWA club organizes and manages the flagship cultural fest of DSIMS - SABRANG. YUWA also takes care of various events like imbibing the vibes of Indian tradition by initiating the traditional day, garba night, teacher's day, world aids day, friendship day and many more such enticing events that keep the DSIMS environment vibrant and youthful.

DSIMS Ambassador's Club

DSIMS Ambassadors are the students who are the backbone of all events organized at the institute. It is a very enterprising and active set of students who are ever-ready to take responsibility on their shoulders and always deliver with impeccable precision. The students of this club are selected after vigorous rounds of screening aimed at judging their communication prowess and stage presence.

**The best Preparation for tomorrow
 is doing your best today**
 -H. Jackson Brown, Jr.”

DSIMS Event Gallery-2017

January

- Memorandum of Understanding was signed towards Student Social Responsibility (SSR) for Participation in Student Social Responsibility Projects between DSIMS and Indian Development Foundation (IDF) on 12th Jan 2017.

- Sabrang is the annual Intra-College cultural festival of Durgadevi Saraf Institute of Management Studies (DSIMS) that took place on 27th January, 2017. Organized for the Students, by the Students, a plethora of exciting one minute games, Treasure hunt, talent hunt, hog-a-thon and fashion

show were some of the Events that took place on the most awaited day at DSIMS. Amidst the hullabaloo of the events, that saw participation from both students and faculty alike, Sabrang was the perfect platform for everyone to showcase their vibrancy. The event ended in high spirits, with everyone eagerly awaiting the next edition of Sabrang.

February

- DSIMS Economics Club (DEC) organised Post Budget Session on 11 February, 2017. The entire discussion of this session was themed around The Mathematics of Union Budget. The Keynote Speaker of the session was Dr. Atindra Sen. An IAS of 1978 Batch (MP Cadre), Dr Sen is MA and Ph.D from Boston University, Fellow of MIT, Director General at Bombay Chamber of Commerce and Industries, Advisor Corporate Affairs, Shapoorji Pallonji Group. There was an interactive Panel Discussion moderated by Dr. Sumana Chaudhuri, Assistant Professor, DSIMS. Along with Dr Sen, the eminent Panelists were Ms Shweta Agrawal, CFO Paragon Partners; Mr Umesh Kolapkar, CA & Independent Consultant and Mr. Indraneel Sengupta, Global Business Strategist. The eminent panelists discussed the implications of several issues of the Wish list of Union Budget 2017. Budget 2017 was an enriching learning experience for DSIMS students.
- DSIMS organized Fourth Remsons International Research Conference on 18 February, 2017 under the aegis of Remsons Centre for Management Research. The Theme of the conference was Innovative Business Practices for Achieving Excellence in Globalised Competitive Environment. Chief Guest, Mr Krishna Kejriwal, MD Remsons

Industries delivered his insightful keynote speech on the importance of innovation for the sustainability of businesses. Altogether twenty research papers were presented in three

different tracks. Dr Anil Sutar, Head of Research, Tata Institute of Social Science (TISS) was the Session Chair in Track I. In Track II, we had Dr Asit Mohapatra, Ex VP Future Supply Chain, as our Session Chair.

In Track III, Dr Vijay Page, Director General Mumbai Educational Trust (MET) consented to chair the session. The final track had five presenters. On the basis of fair evaluation by a panel of judges and blind reviewers, three of the twenty presenters had been chosen as the Best Paper Awardees. Prize money of fifteen thousand, ten thousand and five thousand had been awarded to Prof Chirag Shah, Prof Archana Khemka and Research Fellow of NITIE, Mr. Gitesh Chavan respectively. The Jury members awarded the certificates to all the presenters.

A unique endeavor on the part of the Institute to host a conference on Innovative Business Practices as one of the most critical strategic dimensions of Indian growth trajectories in times of uncertainty. The Conference was indeed a grand success.

- DSIMS Annual Sports Event - Versus was held for four days i.e. on 20th February, 22nd till 24th February, 2017. In this Intra-collegiate event, we had various participants playing open & box cricket, Badminton, Table tennis, Rink football, Basketball, Throwball, Carrom, & Volleyball.

Opening ceremony and Open cricket were played at Arya Bhaskar ground and other sports were played in our campus.

March

- Higher Education Forum - 8th Annual Convention was held on 18th March, 2017 at Saraf Hall. The event was very well organized, and the deliberations were insightful.

Different perspectives presented by the speakers added much value to the event. This event was attended by more than 250 delegates and the convention was a great success. Durgadevi Saraf Institution received an innovation award

called Emerging Institution by Higher Education Forum.

May

- Durgadevi Saraf Institute of Management Studies (DSIMS) held its Fifth Annual Convocation ceremony on 6th May, 2017 for the award of diplomas to PGDM class of 2015-17. The ceremony also included handing over of Degrees conferred by University of Mumbai to the MMS

batch of 2014-16 and Part Time Masters (MMM, MFM, MHRDM) batch of 2013-16 as well the diplomas to the students of Family Business Management (FMB).

Dr Anil Sahasrabudhe, Chairman All India Council for Technical Education (AICTE), was the Chief Guest of the occasion. While presenting the Director's Report Dr C Babu

announced that DSIMS ranked 8th Best B School in Mumbai and 91st best Management Institute across India, according to the Ranking of Times B School Survey March 2017. Dr Sahasrabudhe appreciated the proud ranking as a great accolade for a seven year old institution. The 211 graduating students were awarded with their respective degree and diploma certificates. The toppers of each program across each domain also received Academic Excellence Award on the occasion.

June

- DSIMS organized its maiden Alumni Meet on 24 June, 2017. Almost 225 graduated students from six preceding batches of DSIMS gathered to relive old memories. The event was inaugurated by our current batch of students, followed by a welcome note from Director DSIMS, Dr C Babu. Students performed several small skits and dance drama regarding different events of DSIMS. The first batch

of DSIMS 2010-12 as well some other batches shared different memoirs from their collection. After the formal event the alumni enjoyed the reunion dinner. In all, the ambience was electric with people seen chatting and dancing in groups. The Meet ended with promise to meet again and everyone bid emotional farewell to each other and their beloved DSIMS.

July

- DSIMS has planned a 11 day Special Engagement Program for PGDM Batch 2017-19. The program commenced from 22-Jun-2017. The objective was to shape the young minds in the Journey of their Transformation towards being the Future Leaders of India. It was designed to

sensitize the learners with basic nuances of management and facilitate creation of a strong foundation before the regular classes take off. It also acted as a bridge course for helping the learners to reach a uniform level of understanding.

- Three day Boot Camp was scheduled for PGDM 2017-19 batch from 1st Aug-3rd Aug 2017. The students were inducted towards Course Structure, Rules & Regulations, Code of Conduct and various Set of Activities conducted by various Cells (Academic as well as Cultural).

August

With the avowed objective of making our programmes more industry relevant an event , 'An Evening with the Mentors' was organized on 04th August, 2017 to network with mentors and other industry professionals with whom the

students had worked during their summer internship projects.

The event included a panel discussion on "How to build up a sustainable competitive advantage in your career". Eminent speakers such as Mr. K V Subrahmanyam (Management Consultant & Serial Entrepreneur), Mr. Vinayak Marathe (Sr.

VP-Reliance Technology Group), Dr. Narendra Mairpady (Retired CMD-IOB), Mr. Shibasish Pramanik (Director, Regional Head of Development Portfolio and Head I&D India PMO) and Mr. Arjun Varma (Director of Supply Chain -Nivea India) were on the panel. One of the important points mooted was whether enterprising business students should follow their passion or to engage themselves in job of some established industry. Apart from exchanging cordialities with the mentors, we also learnt how to keep abreast with the swift changes in the industry by enhancing one's skills and technical know-how and thereby, surviving in this fiercely competitive and rapidly growing industry. The event was very well attended and served to provide a platform for launching the Placement campaign of 2017-18.

- On 16th August, 2017 Durgadevi Institute of Management Studies held an captivating event to welcome its students of the coming year-The Foundation Day and Academic Inauguration of 8th batch of MMS and 7th batch of PGDM students. The Chief Guest of the event, the Hon'ble Lieutenant Governor of Puducherry, Dr. Kiran Bedi inspired the new students and by her engaging speech stressed on the importance of a strong and solid foundation, and the importance of integrity, on which steady and sustainable progress can be achieved. She drew attention to the need to recognize and value what is present and how family is the bedrock to an individuals' foundation. She cited "Building good educational institutions is the best gift citizens can make towards nation-building" whilst also

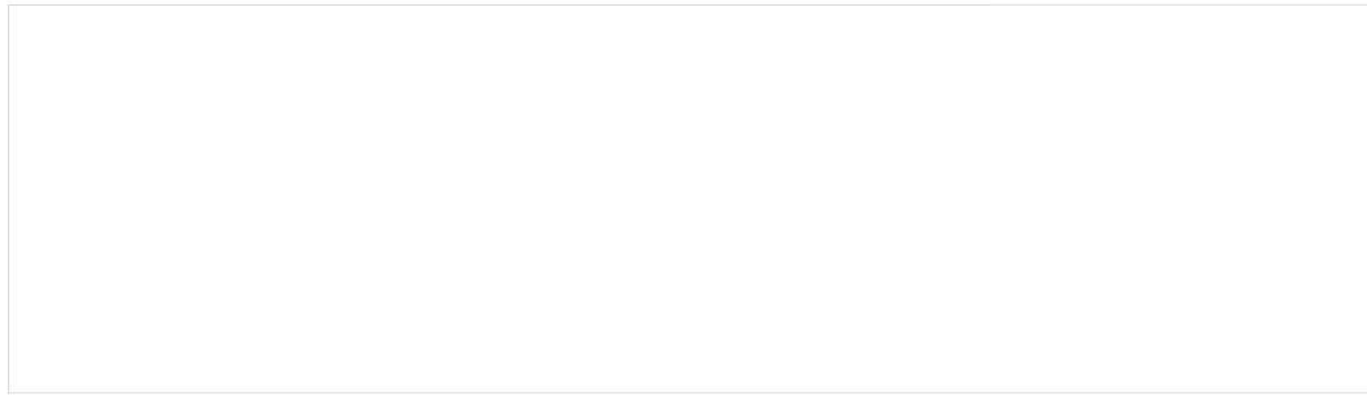

encouraged students to act on their entrepreneurial aims. She shared innumerable life lessons and insights that she gained over the years. Her address culminated into a very riveting and informative Q&A dialogue with the students, one that invigorated their spirits and had countless takeaways. Sharing the dais with the illustrious Dr. Kiran Bedi were Mr. Ashok Saraf, Chairman RSET, Mr Kailash Kejriwal, Secretary RSET, Dr. N.M.Kondap, Director General RSET, Dr. C. Babu, Director DSIMS and Dr. Sarita Vichore, HoD Finance. The date was further witnessed to the launch of EDGE, DSIMS' Annual Newsletter, rich in contributions from the students of this institution, and the handover of the 4th Remsons International Conference Proceeding, which has set the tone for an engaging and

empowering new academic year.

- As part of the industrial tour, Dr. Nehal Joshipura, finance professor at DSIMS, took the Finance specialization students of MMS and PGDM to the National Stock Exchange (NSE) on 22nd August, 2017. During this 3-hours visit, the students were sensitized with the quintessence of trading and related activities that take place at the exchange. The students attended an informative 2-hour session that entailed a discussion on cash and derivatives trading. They also learnt about the role of the exchange in equity trading, and were given live access to the exchange terminals, where they witnessed real-time operations. The tour concluded with an engaging question & answer session, where students further got a chance to interact with the experts and understand the nuances, under which NSE functions.

September

- On the 6th of September, 2017, the second year students of Durgadevi Saraf Institute of Management Studies (DSIMS) embarked on an International Immersion to Germany & Switzerland. Students were taken in two groups, wherein each group spent 7 days on this excursion. The first group

arrived back in the country on 13th September, 2017, following which the second group set forth on their journey with a reroute on 20th September, 2017.

The immersion comprised of visits to the cities of Munich, Stuttgart, Frankfurt, Zurich, Luzern and Engelberg. In addition, scholarly visits were made to Stuttgart Stock Exchange, Frankfurt Stock Exchange, MAN Truck Factory, the BMW Welt, Mercedes Museum, Ayinger Brewery & ETH University; the transit concluded with the apogee of all visits, Mount Titlis & the Rhine Falls. This uplifting exploration of international business, culture and life, opened the students to a new world, and transformed them into better informed individuals with a

broaden global outlook.

- Durgadevi Saraf Institute of Management Studies (DSIMS) witnessed one of its' first events of the academic year, driven towards a social cause, on 26th September, 2017, where students of the Institute of Social Responsibility (ISR) organised a Blood Donation Drive, in association with Lions Club and Rotary club. The event, held between 10am to 5pm, saw 122 donors from around the vicinity, including students, teaching and non-teaching staff, who came forward to support this initiative. Each donor was awarded with a certificate as a token of appreciation and a donor card. This event was conducted under the guidance of Dr. N. M. Kondap, Director General, Dr. C. Babu, Director, Dr. Sarika Jain, Assistant Professor and ISR In-charge, supported by the ISR committee members from MMS and PGDM divisions of the institute. The donors expressed their happiness towards this noble cause, and the collective efforts and contributions from everyone made this event a heart warming success.

October

- The second Entrepreneurship Awareness Drive in IIT Kharagpur was held on the October 4, 2017, at Saraf Hall. The event kick-started with a welcome speech delivered by Dr. C. Babu, Director DSIMS, welcomed the eminent speakers, faculty and the students. The session started with Mr. Radhesh Kanumury, former Country Lead, IBM GEP, introduced the students to the highly dynamic world of fast growing technologies. Mr. Devang Narella, Founder CEO of Atom Technologies, spoke about employment and entrepreneurship opportunities BFSI sector. Mr. Harjeet Khanduja, Vice President, Reliance Jio Infocomm, discussed entrepreneurship and startups using examples from movies. Mr. Pratik Gandhi, founder Edulabs, spoke about his

journey and learning from failure. The final speaker of the evening, Mr. Dilip Chhabaria, founder of DC Designs, inspired the student with his journey; spoke about importance finding your purpose. The other speakers that spoke about their own experiences were Mr. Mahendra Sukeja, founder MACJ, and Mr. Varun, founder IBHub. The event was closed with a vote of thanks by Prof. Anthony Colaco.

November

Students in their second year, at Durgadevi Saraf Institute of Management Studies (DSIMS) set forth on their journey to Anand, Gujarat, for their Rural Immersion on 5th November, 2017. The extent of the trip was for 5 days, wherein students travelled in two groups. The first group returned on 10th November, 2017, followed by the departure of the second group on 12th November, 2017, and subsequent return on 17th November, 2017.

The excursion consisted of visits to the Amul Factory, SEWA - an NGO, National Dairy Development Board (NDDB) complex, Institute of Rural Management, Anand (IRMA), as well as establishments in adjacent villages such as the handicrafts manufacturing center in Sihol, Dhundi village for its solar power project, the tobacco co-operative in Gambhira, and the biogas, organic pesticide and fertilizer plant in Sundalpura, among many others. The students also got the opportunity to have an interactive Q&A session with the Sarpanch of Thamna village. Students also visited the lush botanical gardens of Vehrakhadi.

The objective of these visits was for the students to garner an understanding of entrepreneurship, management, business development and sustainability through small demonstrations with large impacts, in the context of the Indian rural landscape.

Infrastructure & Campus

Draupadidevi Sanwormal Women's Hostel

Draupadidevi Sanwormal Women's Hostel is housed on the 11th & 12th floor of the educational complex of Rajasthani Sammelan Education Trust. The hostel can accommodate 131 girl students.

The hostel has Double Occupancy as well as Triple Occupancy rooms on both the floors. All the rooms have attached toilets, designed in such a way that they can be serviced when the rooms are locked.

Each student in a room is provided with a bed, a writing table, a chair & a common sofa.

The hostel consists of a reception on the ground floor, a recreational area, a dining hall & a dry pantry on the 12th floor. The corridors of the hostel are naturally lit and ventilated by big skylights. Passages have been made colorful to give a lively ambience. Voids are provided between 11th & 12th floors for the students to communicate.

"Please note there can be revision in hostel fees, if required."

An MBA Summer Internship Program is a brief learning-oriented work experience with a company that is completed between the first and second year of the MBA program. Summer internships are compulsory for most business schools today. Essentially, an internship as an MBA student will allow you to apply the skills and lessons learned in a classroom in the real world of business. The 2014 year-end poll conducted by the Graduate Management Admission Council on 201 recruiters reveals a strong outlook for internship among employers. In 2014, 68 percent of employers said that they had recruited MBA students as interns in 2013.

As summer internships start after the first year of the course. The first year at most b-schools prepares the students in core business courses to prepare the ground for taking up specialised electives in the second year. Once in the course, until the summer internship project, their interaction with corporate is nil. It is only after the hands-on experience of the summer project that the real picture starts to build for them. They are better informed about their interests and the field that they would want to work in." Academic knowledge is all that most students have until the internships. The stay for about 8 weeks at a company is a hands-on training for students and a time to apply and observe theory in practice.

Growing number of institutes are setting up advisory boards for their curriculum comprising people from companies in order to make the management courses more relevant to the industry needs. The feedback from the corporate where a student completes his summer internship is often used as an input for curriculum upgrades. Additionally, the feedback of the company also adds to the student's grades and academic evaluation.

SUMMER

Internship Program@

DSIMS

At DSIMS the Board of Studies is one such body of representatives both from the industry and the academia who meet annually to review the PGDM curriculum in order to make it more robust and industry ready. Hence Summer Internship Program bridges the knowledge gap between the academia and industry by strengthening the relationship both ways and is the most important component of MBA education.

Summer Internships also indicate b-schools which sectors are likely to generate more jobs in the immediate future. If a company shows an interest in recruiting a larger number of summer interns than usual, then B schools try and build a steady relationship with that company.

The summer placements to a great extent indicate how the final placements will be, not only for the second year batch which shall appear for final placements in a few months' time, but also for the first year batch students. Many companies use internships to recruit talent that fits their culture. Students are exposed to a network of professionals and hiring decision makers in that organization who will judge their performance during the tenure of internship. For most employers, interns are an economical way of "trying before buying." If the student as an intern lives up to their performance expectations, he/she would be hired easily. Thus Summer Internships do provide a very lucrative platform to the management students to network with the industry professionals, develop the required skills which will ensure them employment at the end of 2 months, in the form of a Pre Placement Offer which is converted as a permanent employment in the same company post the student finishes his/her course. It's finally a Win-Win situation both for the graduating students and the company hiring them.

Below are some of the learnings in the form of testimonials which has been shared by the second year MMS students of DSIMS on how they have found their Summer Internship Program a Path- Changer for them.

Mapro Foods Pvt. Ltd.

"I did my SIP with Mapro Foods Pvt. Ltd. I was given a role of product promotion through BTL activities like in store sampling, where I interacted with the consumers face to face, understood consumer behavior, relationship building etc. This is how I took the classroom learnings to the ground zero, where I got the real time experience of sales promotion and learned the tricks of trade."

Sumer Bhowmick
MMS Batch 2016-18-Marketing

HPCL

"Summer internship experience with HPCL in sales gave me immense career flexibility. It was best thing that could have happened with me because you get to learn so much out there on the field. It shows you a whole new picture of the world but the conceptual knowledge and practical learning which I got from my class sessions helped me to learn the skills which were useful in sales. It also taught me to get out of my comfort zone. And the most important of all, the completion of my project instilled in me confidence that no matter how tough objectives may seem, there is always a way to achieve it. The key to it is perseverance and hard work."

Bhavesh Shah
MMS Batch 2016-18-Marketing

Raymonds Ltd

Learning is a continuous process which helps us to improve and develop continuously. As it is rightly said 'to learn new things we have to unlearn'. This is what I did at my Summer internship at Raymond's Ltd, Vapi. I had the honour to work with one of the world's largest woollen fabric manufacturing company. Coming from an operations management background working in a backward integrated firm where everything is made in house was a great exposure. Taking hands on experience of the production process, learning how supply chains exactly work in the real time, learning project management, company standards, quality control, import and export processes was a great opportunity. I was part of the communication chain from the top management to the workmen, working in the production process. Was exposed to corporate ethics and one of the most important learning was to be disciplined in both the professional and the personal front. One of the best things internship has given is the direction to go ahead in career and provided lots of opportunities which can help me to sail my career ship.

Chirag Agarwal
MMS Batch 2016-18-Operations

Siyarams

I feel very fortunate that I had the privilege to do summer Internship in one of the most reputed Textile Industry. Advertising and Branding was completely new for me, but friendly and motivated atmosphere of Branding Department supported me in completing my Project and helped me in gaining some new insights of the Advertising and Branding World. Analysing Branding Strategies of Core Competitors of "Oxemberg" was one of the main project which I did in my SIP apart from the Research project. As a student of DSIMS, I was always supported by my Faculty Mentor for completing my Research Project which was very much admired and appreciated by the Organisation. During my SIP, I have learnt how an Apparel Branding and Advertisement are done which has done a great value addition to my Marketing Subjects.

Chirag Dembla
MMS Batch 2016-18-Marketing

Motilal Oswal Securities Limited

Nothing is comparable to a real world experience. My learnings boosted up when my theoretical knowledge united with my practical experience. Motilal Oswal Securities Limited gave me an exposure to real world and different issues, along with detailed insights about financial markets which will further help me build my career path. The work was based on real world situations, which was fascinating with a positive atmosphere in Company.

Riddhi Gala
MMS Batch 2016-18-Finance

HyperCity

I did my summer internship of two months from HyperCITY. My time over there gave me a brief glimpse of the rigors of corporate life and how to best handle them. My time dealing with vendors on behalf of the company taught me the finer details of vendor negotiation. I learnt how to give corporate presentation and my time management skills was both challenged as well as honed during my time in the office. I had first-hand experience on learning how all the functions of HR are integrated together.

Prashant Varghese
MMS Batch 2016-18-HR

A PLUS capital services LLP

I have done my summer internship at A PLUS capital services LLP and my role was cold calling clients to convince them to open DEMAT account with our company. Major challenge faced was convincing people over a call and building trust with them, but at the end of 2 months I learnt how to talk to clients professionally and it helped in enhancing my communication skills and an added benefit was good knowledge of share market. Apart from that I also had a great corporate engagement during my 2 month summer internship.

Kruti Gajera,
MMS Batch 2016-18-Finance

Brand Keeda

I am a student of MMS batch and had done my internship at Navi Mumbai based consulting company BrandKeeda. As once Benjamin Franklin said "Tell me and I forget. Teach me and I remember. Involve me and I learn", during my tenure as intern in BrandKeeda, I had been given opportunity to have hands on experience in creating, training and development of programs for multiple clients. My internship program had given me opportunities to challenge my limits and to learn new traits such as leadership skills, self-analysis, communication skills and more and have developed myself to be a better person academically, professionally and personally. As there is proof needed to validate words, my first position in best internship competition prove that internship with right people and right organization with a right attitude and hard work does create wonders in life.

Dipti Tiwari
MMS Batch 2016-18-HR

Bhilai Engineering Corporation

I did my summer internship at Bhilai Engineering Corporations., As a student of operations; I took my academics learning one step ahead in the world of 3D Printers. My work was to study the 3D printing manufacturing in Mumbai and understand all the challenges associated with it faced by the different industries. 3D printers are the future of manufacturing and understanding it is a challenge, but by the guidance of college as well as industry mentor the task became easier. My SIP was a great learning experience for me

Sneha Fate
MMS Batch 2016-18-Operations

I-Can Financial Solutions

"There was so much to achieve while studying through a corporate exposure. I-Can Financial solutions acted as a starting point in establishing my competencies. In the process, I developed my self-efficacy and discovered the art of imparting myself in a business driven environment. It was an enlightening experience."

Palak Modi

PLACEMENT

ALUMINI TESTIMONIALS

VIKALP MUNDHADA:

The Name of the Institution - DSIMS (Durgadevi Saraf Institute of Management Studies)

Course Completed - MMS (MBA)

Year of Passing - 2014

Present Organization and Designation - HDFC BANK LTD, Assitant Manager, Wealth Management

Contact Nos & Email ID (Personal ID) - 9619154064, vikalp.mundhada@yahoo.com.

Most Memorable Event in the Institution

I got a great traineeship from DSIMS, the cutting edge MMS program which enhanced my presentation and communication skills. This B - School provides a mix of both Academic Theory and Practical Business Experience. DSIMS taught me to manage my studies and my extra curricular activities. They actually take the proverb very seriously. All work and no play makes jack a dull boy and vice versa. My days at DSIMS were memorable and exciting especially of the Finance Conclave - FINANCIA '14.

The event helped me to gain confidence in myself and emerge as person whom people can recognise even after the end of the Program. Many memories with DSIMS, apart from Financia '14 team, The Placement Committee, The Grievance Committee, Touge - Marketing Conclave and especially my friends in my batch as well my juniors who helped me gain the leadership skills which are a life time memories which i will never forget. I gained a lot of experience through my traineeship programme and ended up with a great job at the end. Lastly very much obliged to the great support from the very supportive Faculty, Staff and but obvious my Family and my Motivation without whom i wouldnt hav taken up MMS - MBA. I am happy to have chosen DSIMS as a stepping stone to my career.

Most Memorable Event in the Institution :

I was fortunate enough to peruse my MMS from DSIMS, where I had the most 'Learning Experiences' (both practical and theoretical) of my life. I really appreciate the unique pedagogy followed at DSIMS to empower students to organise various management events of the institute.

I get nostalgia for the days spent at DSIMS as there are many memorable moments to share. The Ice breaking session games, the boot camp, our fist conclave 'Opseassion', wow!! That was the first time experience to help in organizing the whole event and meeting face to face with the corporate delegates. Similar experiences during Touge, Financia & HR Conclave. We loved organising the Event with the professors, bringing in sponsorships and Planning the marketing strategies both Online and Offline for the event. I am sure so much exposure no other institute in Mumbai can provide to their students in 2 years of Post-Graduation. We also had fun enjoying days during Sabrang, Versus and 22 yards.

We are lucky to be associated with the Institute and wish best for the future. We are sure DSIMS has a great future under the noble guidance of the Visionary Management and such an experienced Faculty Staff. We thank the institute for appreciating our hard work and contribution for the institute by awarding us and it really means a lot to us. It really boosts us in our career start-up.

Most Memorable Event in the Institution :

My most memorable event in the institute was, when I secured 2nd position in the SIP competition. That moment gave me lots of confidence to achieve more in life and as a result of that, I was the first person from the MMS & PGDM batch to get selected in 2 renowned companies.

**Most Memorable Event in the Institution :**

Looking back at my time at DSIMS, I can see how with a blend of brilliant faculty members, excellent infrastructure, its unique course curriculum and a sound learning ambience, DSIMS is successfully making its mark and playing a pivotal role in shaping the careers of the students. I was lucky enough to be a part of this eco system and develop myself as a student before entering the professional world. The MMS course stimulates the students to look beyond the stereotype approach and think Out of the Box.

The annual Events in the B-school helped us to explore ourselves and our skills. Working for the Marketing Conclave- Touge during my time at DSIMS is one memory I cherish and am proud of as it played a very vital role in develop me as a marketer. Anchoring for Touge and Sabrang in consecutive years has enabled me to showcase my skills at different levels. So every event holds fond memories as the efforts and results were always something to be proud of. Apart from all this, Happy to have garnered skills that will be with me forever, Friends I am proud to have and the Faculty who will always be the guiding light in my life. The freedom to express to the management and the faculty helped to build a great camaraderie between us and them which was indeed a big positive aspect. Above all, it's always good to be back to the Alma Mater that has laid the foundation of my Career, so I hope to continue my association with DSIMS in whatever manner possible. Always a DSIMS-ite at heart.

**Most Memorable Event in the Institution :**

I would like to take this opportunity to thanks DSIMS for its generosity, having pursued this excellent course helped me overcome my fears which always held me back & has brought a new dimension into my life to achieve a successful career ahead.

The course was well-structured and various methods of assessment, namely written assignments, seminar presentation and action research ensured the course was purposeful, challenging and stimulating. The collaborative approach to tutorials made for lively discussions and collegiate networking has been very rewarding as it helped to keep a balance between both curricular& extra curricular activities. MydecisiontotakeOperationsasSpecializationwasdefinitelytherightone.Beingpartof OPSESSION Conclave has provided me with a myriad of new & life time experiences.

This was my first experience to organize an event which started by Incorporating strategies for collection of applications from various colleges across India, Bringing sponsorships, Meeting delegates to Judge the event,Selection of appropriate theme,Marketing strategies to promote & organise event etc. All these activities helped me gain self-confidence and emerge as person whom people can recognise even after the end of the Program.Sabrang,Versus & Placement Activity are among other events which changed the outlook towards life.

The warmth of Batchmates & fulltime support from Prof.AmalRoy, Prof.SomeshBanerji &other faculty members had made my stay memorable and worthwhile. It gives me immense proud to be associated with DSIMS which offers the best possible grounding for the path you're about to take.

**Most Memorable Event in the Institution :**

To start with firstly would like to thank DSIMS for giving me this platform through programs like Industry Immersion and Summer Internship, which helped me to get final placement in Deloitte and to all Staff and Faculty especially Sarita Mam for mentoring and believing in me. Also would like to thank Nehal Mam for always pushing us to be the best.

And last but not the least I thank my friends, who always stood by me in good as well as bad times without whom these two years wouldn't have been the best and the most memorable years of my life.

My most memorable event would be at the time of Summer Internship Project Competition. That event infused confidence in me and made me aware of my hidden skills and brought out the best in me.

Also programs like International Immersion and Rural Immersion gave me a fair practical insight about the current scenario in India and the world.

At DSIMS, even the real complicated moments, absorbing moments, made me realize that even hard times have things in them that make you feel alive.

Would like to end with a famous Chinese proverb "The best time to plant a tree was 20 years ago. The second best time is now."

**Most Memorable Event in the Institution :**

"DSIMS" It's the most integral part of my life, Two years at DSIMS, It was the time process which very efficiently projected me to the term life, Not only studying but it adds the value to life of an individual gives you enough opportunity to grow before world test you. DSIMS helps an individual to create a self- identity.

The most memorable event was Financia. Initially along with my DSIMS family and myself were very shocked as they have chosen me as a head at such a very big event, Since I was with no experience at this but the firm belief of college in me helped to take it very positively, and that was the most life changing experience as it showed me true character of leader and it's not easy to manage all be it funds or people it helped me to inculcate the value of responsibility, money and power and I will always remain grateful to DSIMS for creating a rocking base of my career to fly high and also to make me understand that "Great power comes with great responsibility"

Most Memorable Event in the Institution :

DSIMS has been one of the finest Institutes in Mumbai for pursuing MBA, the reason being it's esteemed faculty & infrastructure. When I enrolled for the MMS Programme, I didn't imagine how big of a step would this be for my career. Memories have been instilled in my mind of the time I spent here. I am thankful to DSIMS in more ways than once. Not only did it sharpen my raw skills but it also gave me a platform to perform. The encouragement that I received here was over whelming. Gratitude, is how can simply put up of my time here at the DSIMS.

One of the most memorable moments of my time spent here, will always be the International immersion to Singapore & Thailand. Apart from this FINANCIAl '16- the finance conclave of DSIMS also ended up with a lot of personal & professional growth. It helped me out, in nurturing my skills & helped me trigger up my confidence levels.

A student shall always be indebted to his 'Guru', his teacher for it is they who make the student a complete phenomena. I want to sincerely thank Dr. Sarita Vichore, HOD Finance without whom my journey would be incomplete. It is because of her profound teachings & guidance that helped me crack out the interview and got me selected for CRISIL. I can say that without her DSIMS is incomplete. Also would like to thank Prof. Ravi Banerjee for teaching us the significance of practicality & morality.

To sum it up it has been a journey to cherish, the friends I made & the teachers I spent time learning with. It has been an incredible journey, one which would always make me feel nostalgic about the time I spent here. I would further encourage budding MBA aspirants to chose DSIMS as an option because, 'this is where you can shine'. I wish as I grow I my career, I can also see the Instituion reaching heights where few have set foot to. Always a DSIMS-ite by heart.

Facilities

 <p>Dhurmaal Bajaj bhavan COMMUNITY PARADISE</p>	<p>Established in 1975</p> <p>Dhurmaal Bajaj Bhavan is a community hall which was constructed in the year 1975-76 with the handsome donations received from Shri Dhurmaal Bajaj Charity Trust & other philanthropists of the community. It is situated on S.V. Road, on the opposite side of the Educational Complex of Rajasthani Sammelan. It has a spacious, air conditioned hall on the ground floor with a seating capacity of 350 persons. The building has two more halls on the first & second floors. There are air conditioned rooms adjacent to the hall on all the floors. Dhurmaal Bajaj Bhavan caters to the needs of the community, as it is rented out to the people for marriage & other social & business purposes. Many cultural activities of the schools & colleges of the trust are also conducted in Dhurmaal Bajaj Bhavan.</p>
 <p>Trivenidevi Deora chikitsa sahayata kosh HELPING TO HEAL</p>	<p>Established in 2001</p> <p>Rajasthani Sammelan has set up Trivenidevi Deora Chikitsa Sahayata Kosh to provide medical help to needy people. It is managed by Trivenidevi Deora Chikitsa Sahayata Kosh Committee. The committee receives applications for medical help from needy people and on scrutiny of the applications, sanctions and disburses medical aid to the concerned persons who have applied for the same. Many people including the staff of all the institutions have availed of this facility from time to time.</p>
 <p>Durgadevi Saraf hall TREASURING MEMORIES</p>	<p>Established in 2002</p> <p>Durgadevi Saraf Hall is constructed in the educational complex of Rajasthani Sammelan & is an air conditioned, sound proof hall with state of the art facilities. It has a seating capacity of approximately 300 persons & is mainly used for organizing seminars, conferences & cultural activities of the educational institutions of the trust. Besides, it is sometimes also given to the members of the community for marriage & other social needs. The hall has all the facilities to cater to business meetings. It has 2 air conditioned rooms adjacent to the hall.</p>
 <p>Rajasthani Sammelan I.T. hub LINKING GLOBALLY</p>	<p>Established in 2010</p> <p>To maintain universally accepted IT Standards in security, availability and data management, Rajasthani Sammelan has decided to have an IT Hub as proper data centre which is supported and managed 24 x 7. The IT Hub is constructed on the 10th floor of the new building, in a built-up area of 3800 sq.ft. It is fully air conditioned and is operational. The main aim of constructing the IT Hub is to make all course material available on line to our students, easy flow of interaction between student and teacher through electronic medium, to create alumni data and keep students attached to our organization life-long through web, to safe guard the campus using video vigilance and electronic access control, to control the entire admission process of all institutions centrally, to safe guard all available data and provide fast internet services within the campus.</p>
 <p>Rajasthani Sammelan food court FOOD FOR THOUGHT</p>	<p>Established in 2013</p> <p>Rajasthani Sammelan has started a cafeteria in its premises to provide snacks of large varieties to students. The cafeteria is situated on the ground floor on the south side of Durgadevi Saraf Hall in a total built-up area of approximately 4500 sq.ft. It is used by staff and students of all institutions. Various food items of different price range are supplied by the cafeteria to the students & staff of all our institutions. The cafeteria supplies all kinds of snacks and beverages to the canteens of all the institutions of Rajasthani Sammelan.</p>
 <p>Ramnarayan Saraf educational outlet ONE STOP EDUC-SHOP</p>	<p>Established in 2014</p> <p>Rajasthani Sammelan has started an educational outlet in its campus by the name of Ramnarayan Saraf Educational Outlet. This educational outlet is dedicated to the memory of late Shri Ramnarayanji Saraf. The educational outlet is constructed on the ground floor of the new building of Ramniwas Bajaj English High School on the rear side, in a built-up area of 5000 sq. ft., with an independent entrance. In this educational outlet, all stationery items, text books etc. are sold at a reasonable price so that students need not go out to purchase such items elsewhere. It also has xeroxing facility for staff and students.</p>
 <p>Vijay Pal Singh health centre WEALTH OF WELLBEING</p>	<p>Established in 2014</p> <p>Rajasthani Sammelan has constructed Vijay Pal Singh Health Centre on the ground floor of the new building of Ramniwas Bajaj English High School and Deviprasad Goenka Management Institute of Media Studies, in a built-up area of approximately 1200 sq. ft. The health centre is fully air-conditioned and has a well equipped clinic, managed by trained and experienced staff and qualified medical professional prepared to meet the emergencies. The health centre caters to the students of all institutions of Rajasthani Sammelan for health check-up. It will also conduct health and wellness educational seminars for staff, students and parents.</p>

Other Initiatives

Kirandevi Saraf
library and reading room
WORLD OF KNOWLEDGE

Kirandevi Saraf Library and Reading room offers reading room facilities to such students who do not have a peaceful environment at their house. The reading room is open to all students from Standard 8th onwards. The Kirandevi Saraf Library and Reading room facility is available to the students from 6pm in the evening to 9pm and from 9am to 9pm on Sundays & holidays. The library is manned by staff of Rajasthani Sammelan and the students are enrolled on payment of nominal fees to access the facilities.

Draupadidevi Sanwalmal
women's hostel
HEAVENLY DOMICILE

University Grants Commission(UGC) has given a special grant to GSCC under X Plan to start residential facilities for women students to pursue higher education. Rajasthani Sammelan's Draupadidevi Sanwalmal Womens Hostel is state-of-the-art infrastructure with two and three bedded A.C. and non A.C. rooms, Wi-Fi enabled recreational area, a dining room, a dry pantry and laundry facility. The hostel has round the clock vigilant security services with CCTV surveillance.

www.dswhostel.org.in

Pravinchandra D. Shah
sports academy
FITNESS REGIME

Pravinchandra D. Shah Sports Academy is built on a 24,000 sq ft area with the most modern infrastructure. The Academy offers sports facility like Tennis, Basketball, Box Cricket, Futsal, Handball, Netball, Hockey, Skating & a walking track. Pravinchandra D. Shah Sports Academy will perhaps be the new sports landmark in the north western part of Mumbai and will add a new dimension to the educational endeavour of Rajasthani Sammelan Education Trust.

www.pdsa.org.in

B K T
freeship endeavour fund
FOSTERING KNOWLEDGE

Rajasthani Sammelan has started BKT Endowment Freeship Fund to provide freeship to those students who cannot afford education due to lack of funds. BKT Endowment Freeship Fund is going to provide opportunity to many deserving students to obtain suitable education and thereby make progress in their life by becoming properly qualified.

Remsons Group
management research centre
MANAGEMENT RESEARCH

Rajasthani Sammelan has started Remsons Group Management Research Centre (in memory of Radhadevi Harlalka) in Durgadevi Saraf Institute of Management Studies. Research is an important part of management education for its growth and development. Remsons Group Management Research Center has been playing an active role in the area of research in management studies. This has given an opportunity of interaction with scholars of reputed universities all over the globe. The Director as well as faculty members of DSIMS have been presenting research papers in many international and national seminars and workshops. We are sure that in future, many scholars will successfully complete Ph.D Programme from Durgadevi Saraf Institute of Management Studies.

IR B
scholarship endowment fund
HONOURING EXCELLENCE

Rajasthani Sammelan has started IRB Scholarship Endowment Fund to provide scholarships to all meritorious students of all the institutions of Rajasthani Sammelan. This will give encouragement to many brilliant students to achieve further excellence in education. Meritorious students will be further motivated to work hard and give their best performance in the field of studies.

Jankidevi Bilasrai Bubna
endowment freeship fund
EMBOLDENING STRENGTHS

Rajasthani Sammelan Education Trust has started Jankidevi Bilasrai Bubna Endowment Freeship Fund to give freeship to the needy and deserving students studying in various educational institutes of RSET. The Jankidevi Bilasrai Bubna Endowment Freeship Fund will provide the much needed financial support to such students who do not have the financial means to pursue their education.

NEW Initiatives

Jankidevi Bilasrai Bubna
boys hostel
A WISE HIVE

Rajasthani Sammelan Educational Trust proposes to start a Boy's hostel that will provide accommodation to students interested in pursuing higher education in the educational institutions of RSET or any other institute. The hostel which will be situated in an exclusive building will have the most modern infrastructure and will include areas for recreation, dining, entertainment and laundry facility.

Rajasthani Sammelan
finishing school
A NEW BEGINNING

With the increasing globalisation and the foray of multinationals, organisations are looking at globally savvy individuals. To meet the fast changing requirements of the corporate world, Rajasthani Sammelan's proposes to start a Finishing School that will impart training in soft skills, communications, personality development etc with a view to groom the students for challenges of internationally benchmarked corporate world.

Rajasthani Sammelan
skill development centre
SCULPTING SKILLS

The proposed Skill development centre aims to advance the skill sets of the students to compete in a global environment. The objective is to provide necessary information and training to develop the skills sets of the students and make them industry ready. The Skill Development Centre will help bridge the industry-academia gap for employability.

Rajasthani Sammelan
teachers' training institute
BUILDING FOUNDATIONS

The Teacher's training institute aims to be a prominent name in the field of providing teacher's training courses. The Institute will aim to provide high quality training programs to aspiring teachers who want to get into the teaching profession as well as to those who are in the teaching profession to transform them into experts and prepare them for the rapidly changing dynamics of the global teaching methodologies and new approaches of teaching.

PLEDGE ONE
FOSTER A FUTURE

The Pledge One program provides an opportunity to pledge undertaking education for the under privileged strata of the society studying in the aided section of the educational institutions of Rajasthani Sammelan. The donations received under the Pledge One program is utilised in an equitable manner to ensure that these students receive Quality Education in an environment that nurtures growth.

BRIGHT SPARKS
Endowment Fund

To encourage bright students studying in the Kudilal Govindram Seksaria School, Rajasthani Sammelan Educational Trust has come up with an endowment fund titled "Bright Sparks Endowment Fund". This fund has been conceived to provide educational enrichment to talented and deserving students studying in Grade 5 and above.
